

**TALLADEGA COLLEGE
VOLUNTEER AGREEMENT FORM**

I, _____, have voluntarily chosen to donate my time to Talladega College. In my capacity as a volunteer, I will perform the following duties:

Any time that I am performing the above tasks, I will be supervised and accompanied by an employee of Talladega College.

I understand that I am not a representative or employee of the College and may not hold myself out as one. In the event, that anytime in the future, I do become an employee of the College, I understand that none of the time spent as a volunteer will accrue to the benefit of being an employee. I would still be placed on probation and have to wait the requisite time to be eligible for vacation leave, sick leave, and insurance.

By the undersigned signature, I understand and agree with the above terms, in order to serve as a volunteer of Talladega College.
